Greetings Future Partner -

At The National Children’s Cancer Society (NCCS), we think the only thing parents of children battling cancer should worry about is caring for their child. Period.

That’s why we tirelessly support families making their way through the daunting world of childhood cancer – to give them hope, and to give their children the best possible shot at survival.

But we can’t do this important work without you!

We are currently seeking quality unique items, gift certificates, and experiences for the live and silent auctions at our special event fundraisers.

We currently hold two main fundraising events:

In January, our “Evening with the Cardinals” raises more than $450,000 for our children; $75,000 from the auction alone.

In June, we will hold our first ever “Bingo Night for NCCS”, where we hope to raise a total of $15,000; $5,000 from the auction alone.

Please join us in our efforts to help even more children get access to lifesaving cancer treatments while easing the financial and emotional toll on their families.

Thank you for considering a contribution to our 2024 fundraising events!

Sincerely,

Dawn Griffard
