

BRIGGS 5th ANNUAL CAR, MOTORCYCLE, & JEEP SHOW

In loving memory of Camie

Join us for an exciting day of cars, motorcycles, and Jeeps, along with live music, raffles, auctions, trophies, and family-friendly fun, all while supporting children battling cancer and their families and honoring the memory of a very special little girl named Camie.

Camie was diagnosed with acute lymphoblastic leukemia just before her third birthday. Though small in stature, she had a larger-than-life personality. She loved scary movies, danced enthusiastically to Thriller, and rarely went anywhere without her beloved baby doll, Susie, by her side.

On March 25, 2011, Camie passed away peacefully, but the joy, courage, and love she shared continue to inspire everyone who knew her. Each year, family, friends, and supporters gather to celebrate her life, honor her legacy, and keep her bright spirit shining through a day filled with hope, remembrance, and community. Through this event, Camie's memory lives on while helping bring comfort and support to other children and families facing the challenges of childhood cancer.

Registration is \$10 for cars, motorcycles, and Jeeps. Registration fees can be paid on the day of the event inside Danny's Irish Pub.

Every registration helps support families impacted by childhood cancer!
